## WELCOME!

*Thank you for visiting us today.*

We hope you feel welcomed. We know it's not easy to break into a new community, but here at CLC you will find a bunch of people who are genuinely friendly and excited that you are joining us today.

Please fill out a visitor card and take it to our Welcome Centre after the service for a complimentary gift.

Also, feel free to visit our Cafe where you can get a nice hot beverage and connect with new friends.

We have special, engaging programs for your children that start after our time of music.

If you have any questions, feel free to ask any of our ushers or stop by the Welcome Centre desk.

### ★ IMPORTANT INFO FOR PARENTS ★

ALL CHILDREN (Nursery to Grade 8) need to be **signed into our computer every Sunday**. If your child is not in our system, please fill out a registration form in our Lobby and return it to the Welcome Centre.

## HOW TO CONNECT @ CLC

### KIDZONE: Grades 1-5:

At Kidzone we want to create an age appropriate, engaging environment where kids can have an encounter with God.

### FLIPSIDE: Grades 6-8:

FlipSide is fast paced program where Junior High's can experience the other side with God in an environment that fosters worship, discipleship, small groups and a ton of fun!

### SPILL: Grades 9-12:

Spill is our Senior High program which runs on Friday nights throughout the year. It's our desire to see students experience the love of Jesus that will transform them for the rest of their lives!

### LINK: Young Adults: ages 18-30:

This vibrant and welcoming group of young adults is a place you can encounter God, experience community, and engage in meaningful acts of service.

### LIFE GROUPS:

Life Groups are small groups of people, that gather together on a weekly basis to study a specific topic. They are a chance to meet new people and dive into the Bible.
